Collection is only free where quantities exceed 150 metres and in any area.

It is the decision of Herpetosure Ltd whether fencing panels are in a good and reusable condition.

In order to qualify for 'buy-back' fencing panels must be free of rivets and washers, palletised and in a good and reusable condition.

Herpetosure Ltd reserve the right to remove the buy back offer at any time and without notice – Should this be the case, only panels purchased before the offer closed date will continue to qualify for buy back.
